

B.TECH I YEAR II SEMESTER (MRV-25) MID-II EXAMINATIONS APRIL-2026

TIMETABLE

TIME → FN: 10.00 AM TO 12.00 PM AN: 1.30 PM TO 3.30 PM

BRANCH	13-04-2026 AN MONDAY	15-04-2026 FN WEDNESDAY	15-04-2026 AN WEDNESDAY	16-04-2026 FN THURSDAY	16-04-2026 AN THURSDAY	17-04-2026 FN FRIDAY	17-04-2026 AN FRIDAY
CSE	Employment communication A lab Based course	Mathematics for Problem Solving	Data Structures	Database Management Systems	Web Application Development-II	Universal Human values -Understanding Harmony & Ethics	Fundamentals of Quantum Computing
CSE (DS)	Employment communication A lab Based course	Mathematics for Problem Solving	Data Structures	Database Management Systems	Web Application Development-II	Universal Human values -Understanding Harmony & Ethics	Fundamentals of Quantum Computing
CSE (AIML)	Employment communication A lab Based course	Mathematics for Problem Solving	Data Structures	Database Management Systems	Web Application Development-II	Universal Human values -Understanding Harmony & Ethics	Computer Aided Engineering Graphics
CSE (AI)	Employment communication A lab Based course	Mathematics for Problem Solving	Data Structures	Database Management Systems	Web Application Development-II	Universal Human values -Understanding Harmony & Ethics	Computer Aided Engineering Graphics
CSE (AI&DS)	Employment communication A lab Based course	Mathematics for Problem Solving	Data Structures	Database Management Systems	Web Application Development-II	Universal Human values -Understanding Harmony & Ethics	Computer Aided Engineering Graphics
CSE (IOT & CSBT)	Employment communication A lab Based course	Mathematics for Problem Solving	Data Structures	Database Management Systems	Web Application Development-II	Universal Human values -Understanding Harmony & Ethics	Computer Aided Engineering Graphics
CSE (CS)	Employment communication A lab Based course	Mathematics for Problem Solving	Data Structures	Database Management Systems	Web Application Development-II	Universal Human values -Understanding Harmony & Ethics	Computer Aided Engineering Graphics
CSIT	Employment communication A lab Based course	Mathematics for Problem Solving	Data Structures	Database Management Systems	Web Application Development-II	Universal Human values -Understanding Harmony & Ethics	Computer Aided Engineering Graphics
ECE	Employment communication A lab Based course	Mathematics for Problem Solving	Data Structures	Database Management Systems	Web Application Development-II	Universal Human values -Understanding Harmony & Ethics	Computer Aided Engineering Graphics
R & AI	Employment communication A lab Based course	Mathematics for Problem Solving	Data Structures	Database Management Systems	Web Application Development-II	Universal Human values -Understanding Harmony & Ethics	Computer Aided Engineering Graphics
